

Ca' Foscari
University
of Venice

Department of
Molecular Sciences
and Nanosystems

Prof. **Fabio Marchetti**, Department of Chemistry and
Industrial Chemistry, University of Pisa

Diiron Bis-Cyclopentadienyl Complexes: from Fundamental Organometallic Chemistry to Unveiling Anticancer Potential

May 22th 2025 at 11.30 a.m.
Room Delta 1B

Organizer: Prof. **Fabiano Visentin**, PhD in Sustainable Chemistry & PhD in Science
and Technology of Bio and Nanomaterials
