

DEPARTMENT OF MOLECULAR SCIENCE AND NANOSYSTEMS

Seminars of the PhD Programme in Chemistry

Università
Ca' Foscari
Venezia

***Benign by design
methodologies for a more
sustainable future:
from nanomaterials design
to heterogeneous
(photo)Catalysis and
biomass/waste valorisation***

Prof. Rafael Luque

Departamento de Química Orgánica Universidad de Córdoba

July 7th, 2017

at 11:00

Room Delta 0A

Scientific Campus - via Torino 155, Venezia Mestre

*L'organizzatore
prof. Alvisè Perosa*

*Il Vice-Coordinatore del Dottorato in Chimica
prof. Maurizio Selva*
