## Culinary Claims

Indigenous Restaurant  
Politics in Canada

L. Sasha  
Gora

University of Augsburg

Discussant: **Fulvia Larena**

**30 January**  
h 16:00

Culinary Claims explores the complex relationships between wild plants and introduced animals, Indigenous foodways, and Canadian regulations. Blending food studies with environmental history, the book examines how cuisines reflect social and political issues related to cultural representation, restaurants, and food sovereignty.
