

Le mille vite del vetro

Bringing glass back home!

14 - 15 May 2026

After the editions of 2019, 2022, and 2024,
“*Le mille vite del vetro*” comes back in **Murano (Venice, Italy)**
hosted by the **Abate Zanetti Technical Institute**.

Launched in 2011, the initiative brings together companies and researchers
from across the glass industry.

It's a unique opportunity to share groundbreaking ideas born in laboratories and to connect
them to industry and professionals eager to explore the new opportunities offered by this
extraordinary material with a millennia-old heritage.

Tentative Program:

Further information about programme will follow

May 14th, 2026 – *afternoon*: Visit to glassmakers' workshop and demonstration.

May 15th, 2026 – *10 a.m. - 5 p.m.* : Oral sessions @ Abate Zanetti Institute
Poster session during the lunch break

All participants are invited to present oral presentation and/or posters and to compete for
Best Poster Award

The conference will be held in Italian Language (slides in English)

For organization purposes, **registration is mandatory** - please fill the specific form [**Le Mille Vite del Vetro 2026 by March 15th, 2026**](#)

Participants are kindly asked to contribute with **90 Euro** to cover location, coffee break and buffet lunch
on May 15. The dinner on May 14 is not included.

Your registration will be confirmed upon receipt of registration fee.

Seats are limited, so it's "first come, first served"
