Wifi codes:

Use your credentials to access to WiFi ("Eduroam") in Room B and common spaces of Ca' Bottacin Palace.

To access the wifi network, you need to **download** the **eduroam application** via:

Android

1. Download the **geteduroam** app
2. Consult the configuration guide of the app on Android.
3. After installing the app, you can access the eduroam network using **unive login** and **password**, the same ones used for access to the reserved area of the unive website.
