PINK
PROMOTING INNOVATION AND KNOWLEDGE

IP... what, why, and when?

Workshop on Intellectual Property and Technology Transfer

12 November 2026, 10.30-16.00 Conference Room Orio Zanetto (Alfa Building), Scientific Campus via Torino - Mestre (VE)

Open to **research staff** at all levels, in particular PhD candidates and early career researchers.

Part of the PhD Interdisciplinary courses and seminars.

If you have never heard the acronym "IP"...
If you know it, but "would rather publish"...
Or if you have any doubt on how thesis, collaborations, and results protection work: we have some clues and best - worst practices to support your research activity and valorisation.

Deep dive with Ca' Foscari and regional experts into how to **protect and value research results!**

ON THE AGENDA
10.30 -13.00
Seminar on IP and Tech Transfer
Tools, Regulations, Strategies for Research results valorisation
Focus on: Intellectual Property, Deep Tech, Impact, Entrepreneurship.

14.00-16.00
