HOW DO I BECOME A RESEARCH SCIENTIST?

PROGRAM:

2.30 PM SESSION 1

Academic Research Career Stories

3.30 PM SESSION 2

Research Life FAQs & Round Table

WHY SHOULD I PURSUE AN ACADEMIC CARRIER?

Don't think that research is for someone else!
We can't map our research career or read the
future BUT we can learn from the experience
of early-career scientists. Come to discuss
with our guests!
