

Mood and Modality Markers across Languages

Ca' Foscari University workshop

20-21 June 2024

Ca' Foscari University of Venice
Department of Linguistics and Comparative Cultural Studies
Ca' Bernardo, Sala B

June 20

- 9:30-10:00 Registration & introductory remarks
- 10:00-10:40 **Brian Joseph** (Ohio State University)
Analyzing finite complementation: A long-standing puzzle in Greek (and elsewhere)
- 10:40-11:20 **Lena Baunaz** (Côte d'azur University), **Joanna Blochowiak** (Catholic University of Louvain) & **Cristina Grisot** (Zurich University)
Does emotivity play a role in mood selection? Theoretical and experimental investigation of Hexagonal and Quebec French
- 11:20-12:00 **Marco Biasio** (Pisa University)
Negative Weak Deontics in Elliptical Impersonal Utterances and the Double-Access Issue
- 12:00-12:40 **Ye Hu** (Padua University)
Compositionality in the Sichuanese modal system
- 12:40-14:00 **Lunch break**
- 14:00-14:40 **Giovanni Palilla** (Ca' Foscari University)
Collecting Data for the RUM Project: Modal Particles from a Multimodal Perspective
- 14:40-15:20 **Erika Petrocchi** (Ca' Foscari University)
Mica/MICA' as a Modal Particle in Italian: Evidence from Prosody
- 15:20-16:00 **Coffee break**
- 16:00-16:40 **Nikos Angelopoulos** (BCL, CNRS)
On clausal complementation (again!)
- 16:40-17:20 **Iliyana Krapova & Tomislav Sočanac** (Ca' Foscari University)
The effect of Balkan Slavic mood markers on factivity and veridicality
- 20:00 **Dinner**

June 21

- 10:00-10:40 **Marco Coniglio** (University of Gottingen)
On the grammaticalization of modal particles in Italian and German
- 10:40-11:20 **Lena Baunaz** (Côte d'azur University) & **Anne-Li Demonie** (Masaryk University)
Modal Particles, their Negators, and Expletive Negation
- 11:20-12:00 **Nicola Munaro** (Ca' Foscari University)
The grammaticalization process of Latin post across the Dolomitic region
- 12:00-12:40 **Karolina Zuchewicz** (Leipzig University) & **André Meinunger** (Leibniz-ZAS)
The role of the subjunctive in the factivity-assertiveness alternation in German and Polish
- 12:40-14:00 **Lunch break**
- 14:00-14:40 **Luca Molinari** (Warsaw University & Ca' Foscari University) & **Vincenzo di Caro** (Catania University)
Functional GO and TAKE as markers of the speaker's attitude. A comparison between Italo-Romance and Bulgarian
- 14:40-15:20 **Georgios Vardakis** (Padua University)
Mood featural rearrangement and syntactic change in clausal complementation in Corfioto
- 15:20-16:00 **Coffee break**
- 16:00-16:40 **Chiara de Bastiani** (Ca' Foscari University)
Mood alternations in Early West Germanic adverbial clauses
- 16:40-17:20 **Tomislav Sočanac** (Ca' Foscari University)
Diachronic development of the mood particle da in Balkan Slavic
- 17:20 Concluding remarks
