The College Workshop is organized under the aegis of  
ASSI (Alleanza delle Scuole Superiori d'Ateneo) and with  
the financial support of DM MUR 231/2023.

Area studies is an interdisciplinary field developed  
to analyze and interpret other cultures in the  
context of the **Cold War years** (1945-1989). It has  
undergone a profound **transformation** after the  
rise of Asia in the last 30 years has changed the  
role of specific Asian countries in international  
arrangements, the world economy and about  
global issues.

This workshop has been designed to promote  
**interdisciplinary exchanges** between Area  
studies and disciplines under the academic  
guidance of eminent scholars.

**Coordinator:** prof. **Marco Zappa**

**Invited speakers**

**Claudia Derichs**, Humboldt University Berlin

**Jens Sejrurp**, University of Copenhagen

**Pamela McElwee**, Rutgers University

**Ayşe Zarakol**, University of Cambridge

**Deadline for registration:** 1<sup>st</sup> July
