another manual of economics?**

Giovanni Dosi in conversation with **Pietro Dindo**,
Coordinator PhD in Economics

December 12th | Aula Volpato

**14:00 | Innovation and capabilities
for a theory of the firm**

Giovanni Dosi's research has had a global impact, shaping academic thought and policy-making, particularly in industrial and technological development. In addition to his extensive publications in top international journals, his work is frequently translated and widely referenced.

Among his many accolades, Dosi received the Wiley TIM Distinguished Scholar Award in 2016 from the Academy of Management and the Penrose Award from the European Academy of Management (EURAM) in 2022, recognizing his leadership in evolutionary economics.
