Join us for an engaging and insightful 3-hour workshop, focusing on the evolving world of work and strategic career navigation. Discover diverse career paths and alternative trajectories in today's dynamic landscape. Learn how to integrate the United Nations' Sustainable Development Goals (SDGs) into your career aspirations, paving the way for sustainable career pathways.

This workshop will equip you with the holistic career competencies needed to thrive in the modern workforce and make a positive impact on the world.

**International Guest Speaker**

**Dr Julia Caldicott**

Senior Lecturer, Work Integrated Learning (WIL) | Principles of Responsible | Management Education (PRME) Lead Faculty of Business, Law and Arts | Southern Cross University (Australia)

Dr Julia Caldicott is a dedicated advocate for bridging the gap between university and industry, making her an inspiring facilitator. As the lead Work Integrated Learning (WIL) academic for the Faculty of Business, Law, and Arts at Southern Cross University in Australia, Julia collaborates with diverse industry sectors to create meaningful experiential learning opportunities. She is also the Faculty Lead for the Principles for Responsible Management Education, working to align management education and research with the United Nations' Sustainable Development Goals. Julia's passion for holistic career development and sustainable practices makes her workshops a valuable experience for any student looking to navigate their future career paths effectively.
